2. While a few of the students have checked out training packages to refresh their foreign language capabilities, most of the individuals listed were/are attempting to gain some knowledge of the language of the country to which they have been assigned.

3. You may also be interested to know that we have received excellent support from OTR in this endeavor, both initially and on a continuing basis; e.g., additional training packages requested are, as a rule, delivered within three days.

4. Please let us know if you desire any further information relative to the "[REDACTED] Language Lab."
